We will not be doing raffle tickets this year. Our last fundraiser will be a two night family event at the Sports Bowl in Baldwinsville. The first night will be 4/22 for the JV and Varsity teams. The Modified and Freshman team night will be 4/30. Both nights will start at 7pm with everyone done bowling by 9PM. The cost will be \$10 per bowler. The scoring will be handicapped so if you knock down 8 pins or more on the first ball of each frame it will be considered a strike. Parents and children can bowl. Prizes will be awarded for best team score.

This will be a family focused event that will be a lot of fun. Parents, please make the effort to attend. The more we raise the more we can do for Baldwinsville Lacrosse.

Where does it all go? This year JV will receive new uniforms provided by the Booster club. They will be the same ones the Varsity team has but not new shorts. We purchased the best helmets available on the market designed to reduce the potential for concussion for the Varsity team. These helmets are in approx \$235 each retail, we got them for \$130. New socks for all players, website costs, insurance, banquet and other items to support Baldwinsville Boys Lacrosse.

Not one penny for entertainment, meals or other director expense.
